Every four years the Cape Cod Commission updates the long-range transportation plan for Cape Cod in cooperation with state and federal transportation agencies. We are now holding a series of meetings to obtain public comment on the update for the period 2011-2035. Please attend the meeting that is most convenient for you. For information on the Plan, please go to www.gocapecod.org/rtp or call the Cape Cod Commission at (508) 362-3828.
