

Tips for Accurate Crash Reporting

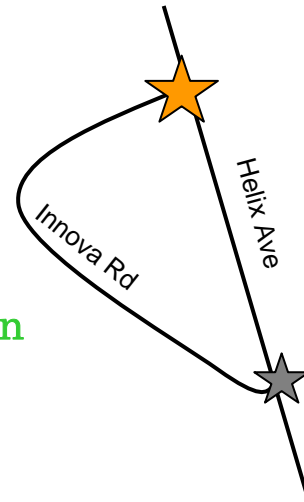

Don't let funding opportunities escape you and your town!

Include BOTH route number and road name

-  **Route 7**
-  **Route 7 - Burgess Hwy**

If roads intersect more than once, specify WHICH intersection

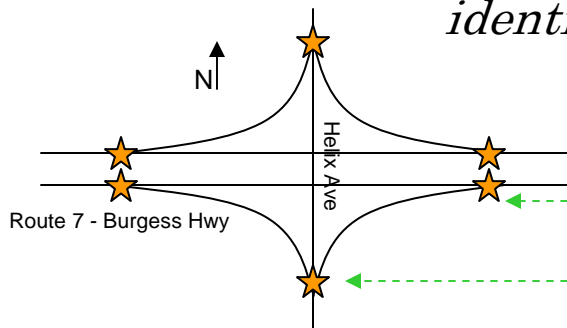

-  **Innova Rd at Helix Ave**
-  **Innova Rd at Helix Ave, north intersection**

Use FULL street name

-  **Innova**
-  **Innova St or Innova Rd**

Specify direction of travel and identify correct intersection at ramps

-  **Route 7 at Helix Ave**
-  **On-ramp from Helix Ave at Route 7 eastbound**
-  **Route 7 eastbound ramps at Helix Ave**

If crash was not at an intersection, estimate distance to nearest cross road

-  **Innova St**
-  **Innova St 150 feet north of Quahog Rd**
